# OW SERIES CABINET

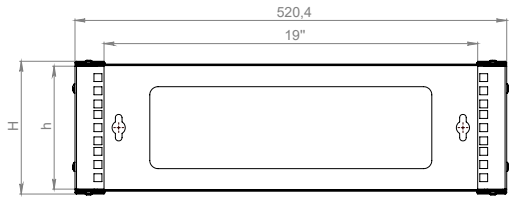

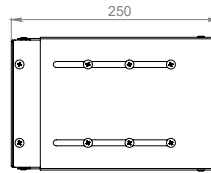

AGER Wall Mounted Rack Series fits perfectly into businesses and facilities that require small volumes with its decorative design and flexible installation ease.

There is no need for a closed cabinet structure in the wall-mounted open rack cabinet system. It is suitable for network applications in clean and dust-free environments.
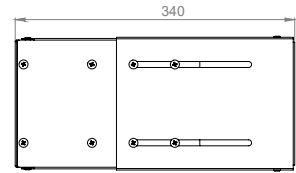

Products that can be positioned inside; network access devices, wireless devices (Wireless Modem / Router), camera recorders (DVR), Telephone connection boxes (Buat or Splitter), Hub / Switch, External Disk, Ups Power Supply. Server Chassis, Computer etc.
